

Academy of Technical and Art Applied Studies

Higher Education Institution

Project Information File (PIF)

Who are we - key people

Academy of Technical and Art Applied studies is a merger of five HEIs, all working towards the same goal - providing our students with practical, applicable knowledge, relevant in the labour market, with the support of committed teaching and non-teaching staff, as well as fully-equipped laboratories with cutting edge technology.

Dr Vera Petrović

- President of ATUSS
- Professor of Applied Studies

Dr Dragan Novković

- Coordinator for Mobility
- Professor of Applied Studies

Tara Pešić, M.A.

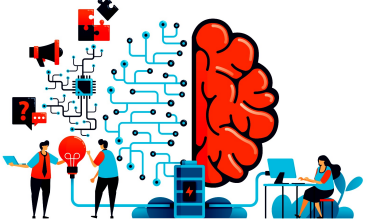

- Coordinator for International Cooperation
- Master of English Language, Literature and Culture

Departments

ATUSS offers a wide range of study programmes, from engineering and technologies to multimedia and design. Each of the five departments specializes in its area of studies, with a focus on skills development and professional growth.
