Student must have active student status (enrolled in study process). Call is suitable for students in extended study year, because the traineeship must be finished from January till the May 2024. The duration of a traineeship is 2 months and it is covered with our KA131 project according to the funding roles of the project.

The amount of money that each student can receive for two months is:

- **540 euros per month for basic internship coverings,**
- **150 euros per month because of mobility for traineeship,**
- **250 euros per month if student come from one of following categories**
- **50 euros for green travel (bus, minibus, train).**

STEPS are as follows:

1. Apply with Your CV to the company on email: educaops@gmail.com,
2. Pass the evaluation from their side,
3. Provide Invitation Letter from the company, with defined timeline (min 60 days),
4. Apply for grants to ATUSS INTERNATIONAL OFFICE via: mobilnost@atuss.edu.rs with: CV, Motivation Letter, Invitation Letter and Grades Transcript from our Student's office with evident student status and English exam passed.

***Students in extended study year must apply for traineeship to ATUSS minimum one day before graduation (while student have active student status).**

***Students of Bachelor first study year can not apply.**

Working language of this position is **English**, so **knowing English is mandatory**

If you are interested, send the application to an email: mobilnost@atuss.edu.rs

Call opening date: December the 1st 2023

Call closing date: December 31st 2023

Students who are granted with mobility, will be called to proceed with documentation and preparation for mobility.

Yours,

Erasmus office of ATUSS
