# ACADEMY OF TECHNICAL AND ART APPLIED STUDIES BELGRADE

- The Government of the Republic of Serbia adopted a Decision on the establishment of the Academy of Technical and Art Applied Studies Belgrade (ATUSS), in 2019. This decision provides that ATUSS arises from the change of status by merging five higher education institutions of applied studies.

# ACADEMY OF TECHNICAL AND ART APPLIED STUDIES BELGRADE

1. Department School of Electrical and Computer Engineering
2. Department School of Applied Studies for Information and Communication Technologies
3. Department School of Civil Engineering and Geodesy
4. Department School of Railroad Transport
5. Department Textile School for Design, Technology and Management

**ATYCC**

Academy of Technical and Art  
Applied Studies Belgrade

## Department School of Electrical and Computer Engineering

- **Undergraduate** applied studies (180 ECTS)
  1. Audio and Video Technologies
  2. Automation and Vehicle Control Systems
  3. Information Systems
  4. Electronics and Telecommunications
  5. New Energy Technologies
  6. New Computer Technologies
  7. Computer Engineering

# Department School of Electrical and Computer Engineering

- **Master** applied studies (120 ECTS)

1. Electrical Engineering;
2. Multimedia Engineering;
3. Computer Engineering;

## Department School of Information and Communication Technologies

- **Undergraduate** applied studies (180 ECTS)

1. Internet Technologies
2. Network and computer technologies
3. Postal Logistics Systems

- **Master** applied studies (120 ECTS)

1. Network and Software Engineering

# Department School of Civil Engineering and Geodesy

- **Undergraduate** applied studies (180 ECTS)

1. Architecture
2. Geodesy — Geomatics
3. Civil engineering

- **Master** applied studies (120 ECTS)

1. Architecture
2. Geodesy — Geomatics
3. Civil engineering

# Department School of Railroad Transport

- **Undergraduate** applied studies (180 ECTS)

1. Traffic and transport
2. Electrical engineering and computing in transport
3. Railway engineering
4. Commercial operation of railways

- **Master** applied studies (120 ECTS)

1. Traffic engineering
2. Electrical engineering in transport
3. Commercial operations in transport

# Department Textile School for Design, Technology and Management

- **Undergraduate** applied studies (180 ECTS)

1. Textile and garment design
2. Textile engineering

- **Master** applied studies (120 ECTS)

1. Textile and garment design
2. Textile engineering
3. Management in the fashion industry
