## ERASMUS+ KA131 2023

### PARTICIPATION OF OUR TEACHING STAFF ON INTERNATIONAL STAFF WEEK 2024: *Twin Transition in Focus 2024*

Three of our professors, *Ana Savić, Ljiljana Pecić and Marina Kocareva Ranisavljev*, took participation on Staff Week Training Program: *Twin Transition in Focus, from May 13<sup>th</sup> to 17<sup>th</sup> 2024* in Maribor, organized by ACADEMIA. **This event** gathered 24 lecturers from 10 different countries - Austria, Belgium, Latvia, Lithuania, Romania, Croatia, Serbia, Jordan, Morocco, and Slovenia! The training, conducted as part of the Erasmus+ blended intensive program, was an exceptional opportunity for international collaboration and knowledge exchange in the field of sustainable development.

Central Theme: "Twin Transition in Focus" - digital and green transition were the key areas that lectures explored. Participants delved into ways to integrate sustainable practices into their curricula and daily work and developed project ideas.

Participants had the opportunity to engage in lectures and workshops on sustainable development, project management, and innovation. Experts presented examples of good practices and the challenges we face in implementing sustainable project solutions. Lecturers on this event were: Alicia-Leonor Sauli-Miklavčič, Jasmina Poličnik, Simona Roškar, Tanja Kos, and Ljiljana Pecić.

This Staff Week, rich in cultural and professional diversity, enriched the experiences of all participants and facilitated the spread of best practices across borders.
